Richard M. Lamusta, Commissioner
Lynnfield Center Water District
83 Philips Road
Lynnfield, MA 01940

Dear Commissioner Lamusta,

After much consideration, I have decided to resign from my position as Commissioner and Chairwoman of the Board of Water Commissioners of the Lynnfield Center Water District, effective March 31, 2019. This has been a difficult decision for me. As you know, the demands placed on the commissioners has escalated dramatically over the past year. This is a complex organization serving a diverse customer base. I feel the District would be better served by a commissioner with more time to devote to the mission of this organization.

It has truly been an honor to serve my community. I have enjoyed working along with you and the other commissioners during my time on the board. I am grateful to have worked with such a capable and hardworking staff at the District. They are to be commended for their consistent professionalism as the District navigates through changing times and leadership.

Thank you for your support during our time together on the LCWD Board of Water Commissioners.

Sincerely,
