5. Water Restriction.

Section 1: Authority

This Bylaw is adopted by the Lynnfield Center Water District under its home rule powers, its police power to protect public health and welfare, and its specific authorization under Massachusetts General Laws, Chapter 40, Sections 21 and 21D.

Section 2: Purpose

The purpose of this Bylaw is to protect, preserve and maintain the public health, safety and welfare whenever there is in force a state of water supply emergency by providing for enforcement of any duly imposed restrictions, requirements, provisions, or conditions imposed by the District or by the Department and included in the District's plan approved by the Department of Environmental Protection to abate the emergency.

Section 3: Applicability

The following shall apply to all users of water supplies supplied by the District.

Following notification by the District of the existence of a state of water supply emergency, no person shall violate any provision, condition, requirement, or restriction included in a plan

District By-Laws
As amended June 24, 2019

approved by the Department of Environmental Protection which has as its purpose the abatement of a water supply emergency.

Notification of any provision, restriction, requirement, or condition with which users of water supplied by the District are required to comply to abate a situation of water emergency shall be sufficient for purposes of this Bylaw if it is published in a newspaper of general circulation within the District or by such other notice as is reasonably calculated to reach all users of the District supply.

Section 4: Penalty

Any person or entity who violates this Bylaw shall be liable to the District in the amount of \$50.00 for the first violation and up to a maximum of \$250.00 for each additional subsequent violation in a given calendar year which shall inure to the District for such uses as the Board of Water Commissioners may direct. Fine shall be recovered by indictment or on complaint before the District Court or by non-criminal disposition in accordance with Section 21D of Chapter 40 of the General Laws. Each separate instance of non-compliance following the issuance of any warning or citation pursuant to this section shall constitute a separate violation.

Section 4 Penalty Adopted on April 2, 1990 and Amended on June 24, 2019

Section 5: Right of Entry

Agents of the enforcement authority may enter any property for the purpose of inspection or investigating any violation of this Bylaw or enforcing against the same.

Section 6: Severability

The invalidity of any portion or provisions of this Bylaw shall not invalidate any other portion, provision or section hereof.

Adopted on April 2, 1990

6. All automatic underground irrigation (sprinkler) systems connected to the District's water supply shall be equipped with a moisture sensing device or mechanism that will automatically shut off the system's water flow during and following a period of precipitation. The Board of Water Commissioners of the District are authorized and empowered to adopt rules and / or regulations that direct District employees to monitor, control and inspect such systems. The District shall impose a penalty of \$50 per system for each two-week period after notification to the water user of any violation of this by-law or the rules and / or regulations adopted by the Board of Water Commissioners of the District. Penalties shall continue to accrue until re-inspection of the system by a District employee verifies compliance with this by-law or the rules and / or regulations.

Adopted on April 2, 2001
