To Whom It May Concern:

This letter serves as my intent to seek election to the open seat on the Lynnfield Center Water District Board of Water Commissioners. I am confident my experience in the public and private sector, coupled with my long record of service on many Boards and to countless civic organizations, make me an ideal candidate to become a commissioner.

I have been serving as a Water Commissioner since October 2022 after being elected to serve a vacated seat on the Commission. I have enjoyed my time as a commissioner and have helped contribute to the positive developments being made by the Board, Superintendent and staff. I look forward to continuing this work for a full term.

Warm regards,

Steven M. Walsh
